

February 1st, 2010

The North Star Women's Firefighter Association (NSWFA) was formed in 2006 to assist women who are interested in joining the Fire Service, or are already a part of the Fire Service. We are a non-profit organization that provides recruiting tools, training, mentoring, and networking. In order to provide the best resources available, the NSWFA is looking for funding through membership dues, donations, training fees, and/or merchandise sales.

Membership in the NSWFA costs \$100.00 per calendar year. This membership fee covers the cost of the 2010 Quarterly Trainings, as shown below. Members will also receive a discount for the Weekend Conference in June.

In 2010, the following events and training sessions have been planned:

1st Quarter Training

Practical Knowledge of Building Construction for the Fire Service

2nd Quarter Training
